APPENDIX  
(Paragraph 3)

KANCHIBIYA DISTRICT

Starting at a point south east of the Kalama Islands the boundary runs in a north-easterly direction for a distance of approximately 19 Kilometres to the confluence of the Munikashi River and an unnamed tributary; thence up this unnamed tributary to its source; thence in a north-easterly direction for approximately 9 Kilometres to the source of an unnamed tributary of the Chambeshi River; thence down this tributary to its confluence with the Chambeshi River; thence up the Chambeshi River to its confluence with the Mansha River; thence up the Mansha River to its confluence with the Lubabala River; thence up the Lubabala River to its confluence with the Kampemba Stream; thence up the Kampemba Stream to its source; thence in a south- westerly direction for a distance of approximately 9 Kilometres to the source of the Luwanya River; thence down the Luwanya River to its confluence with Chilongwe River; thence down the Chilongwe River to its confluence with the Kanchibiya River; thence down the Kanchibiya River to its confluence with the Ntunta River; thence up the Ntunta River to its source; thence in a southward direction to the source of the Manyowe River; thence down the Manyowe River to its confluence with the Lwitikila River in the Chibwa Swamp; thence up the Mulyangwa Stream to its source; thence in a southward direction to the confluence of the Mufubushi River and the Luchandazi River; thence in a south-westerly direction to the source of the Lumbatwa River; thence down the Lumbatwa River for a distance of approximately 12 Kilometres; thence in a western direction for approximately 8 Kilometres; thence in a north-western direction for a distance of approximately 12 Kilometres to a point south-east of the Kalama Islands, the point of starting.

LAVUSHIMANDA DISTRICT

Starting at a point on the ZambiaCongo DR International boundary on the Luapula River, the boundary runs up the Luapula River for a distance of approximately 35 Kilometres; thence in a north-easterly direction for a distance of approximately 50 Kilometres to a point on the Lumbatwa River; thence further in a north-easterly direction for approximately 12 Kilometres to a point situated south-east of the Kalama Island; thence in a south-easterly direction for approximately 12 Kilometres; thence in an easterly direction for approximately 8 Kilometres; thence in a further south-easterly direction for approximately 12 Kilometres to a point on the Lumbatwa River; thence up the Lumbatwa River to its source for approximately 72 Kilometres (following the northeastern boundary of the Lavushi Manda National Park No 9) to a point on the Mufubushi River; thence up the Mufubushi River to a point where it cuts the RD 733 Road; thence along the RD 733 Road in a northeasterly direction joining the T2 Road (Great North Road) in a southern direction for approximately 6 Kilometres near the source of the Mutinondo River; thence down the Mutinondo River for approximately 50 Kilometres to its confluence with an unnamed stream on the southern banks; thence in a south-westerly direction to its source; thence in a southward direction to a point on an unnamed tributary of the Mwatishi River; thence down the unnamed tributary to its confluence with the Mwatishi River; thence down the Mwatishi River to its confluence with the Mupamadzi River; thence up the Mupamadzi River to its confluence with an unnamed stream just opposite the Chinkoma River on the southern bank of the Mupamadzi River; thence up the unnamed stream to its source in a south-easterly direction; thence to the source of the Lubu River; thence down the Lubu River in the south-easterly direction for approximately 31 Kilometres; thence due south-eastwards to the source of an unnamed tributary of the Luangwa River; thence down the unnamed tributary of the Luangwa River to its confluence with the Luangwa River; thence down the Luangwa River to a point south of the watershed between the Mutisanse, Lusiwasi and Mulembo Rivers to the south and the Kapemba, Mupamadzi, Lukulu and Lulimala Rivers to the north; thence along the watershed between these rivers for approximately 197 Kilometres to the source of the Moboshi River; thence down the Moboshi River to its confluence with the Lulimalu River; thence down the Lulimalu River to its confluence with the Luapula River on the Zambia Congo DR International boundary, the point of starting.

#### LUNTE DISTRICT

Starting at the confluence of the Luangwa River and the Mwita Stream, the boundary runs up the Mwita Stream beyond its source to coordinates 223587.23 E, 8966306.73 N on the Muchinga Escarpment; thence eastwards along the Muchinga Escarpment for approximately 62 Kilometres; thence southwards towards the Mwale Ridge to a point on the D19 Road; thence eastwards along the D19 Road for approximately 50 Kilometres to a point at the source of the Kashingashi Stream; thence down the Kashingashi Stream to its confluence with the Mwiluzi Stream; thence down the Mwiluzi Stream to its confluence with the Luombe River; thence down the Luombe River to its confluence with the Kafubu River; thence up the Kafubu River to its source; thence westwards for approximately 7.5 Kilometres to the source of the eastern tributary of the Mwelekumbe River; thence down the Mwelekumbe River to its confluence with the Lukulu River; thence down the Lukulu River to its confluence with the Lubala River; thence up the Lubala River to its confluence with the Matipe Stream; thence up the Matipe Stream to its source; thence southwards for approximately 2 Kilometres to the source of the Lubushi Stream; thence down the Lubushi Stream to its confluence with the Mayebwe Stream; thence up the Mayebwe Stream to its source; thence along the southern base of the Mpalapata Hills to the source of the Fitaba Stream; thence down the Fitaba Stream to its confluence with the Lubansenshi River; thence up the Lubansenshi River to its confluence with the Buchende Stream; thence up the Buchende Stream to its source; thence westwards for approximately 7 kilometres to the source of the Ngona River; thence down the Ngona River to its confluence with the Kalungwishi River; thence down the Kalungwishi River to its confluence with the Fisaka River; thence up the Fisaka River to its source; thence in a north-westerly direction to the source of the Ichibumbye River; thence down the Ichibumbye River to its confluence with the Luangwa River; thence up the Luangwa River to its confluence with the Mwita Stream, the point of starting.

#### MPIKA DISTRICT

Starting at the source of the Luwanya River, the boundary runs in an easterly direction to the source of the Itulo River; thence down the Itulo River to its confluence with the Kanchibiya River; thence down the Kanchibiya River to its confluence with the Kanyebele River; thence up the Kanyebele River to its source; thence in an easterly and southerly direction for a distance approximately 10 Kilometres through the Mukowonshi Trigonometrical Beacon to Mulumewangombe Hill; thence in a southerly direction to the confluence of the Kabale River and the Kamisengo Stream; thence in a southeasterly direction for approximately 8 Kilometres to the confluence of the Mukungwa Stream and the Mwatesi River near the T2 Road (Great North Road); thence in a southwesterly direction for approximately 6 Kilometres along the T2 Road near the source of the Mwatesi River; thence in an easterly direction to the source of the Kapamba River; thence down the Kapamba River to its intersection with the southwest boundary of Farm 1367 Kapamba River to its intersection with the south-west boundary beacon C786 situated on the right bank of the Isase Stream; thence down the Isase Stream to its confluence with the Kapamba River; thence down the Kapamba River to its confluence with the Munyamadzi River; thence up the Munyamadzi River to its confluence with the Mwanswa River; thence up the Mwanswa River to its source; thence in an easterly direction for approximately 5 Kilometres to the source of the Chabala Stream; thence down the Chabala Stream to its confluence with the Mwaleshi River; thence up the Mwaleshi River to its confluence with the Chitwe Stream; thence up the Chitwe Stream to its source; thence in a northerly direction for approximately 8 Kilometres to the confluence of the Lufila River and the Mumba Stream; thence up the Mumba Stream to its source; thence in an easterly direction for approximately 4 Kilometres to the source of the Mumbwe River; thence down the Mumbwe River to its confluence with the Luswa River; thence down the Luswa River to its confluence with the Lufila River; thence down the Lufila River to its confluence with the Luangwa River; thence down the Luangwa River for a distance of approximately 172 kilometres to an unnamed tributary on the western side; thence up this unnamed tributary in a northwesterly direction for approximately 30 Kilometres to its source; thence in a further north-westerly direction to a point almost near the confluence of the Katumbu

River and the Lubi River; thence up the Lubi River to its source; thence in a north-westerly direction to the source of an unnamed tributary of the Mupamadzi River; thence down the unnamed tributary to its confluence with the Mupamadzi River; thence down the Mupamadzi River to its confluence with the Mwatishi River; thence up the Mwatishi River for approximately 7 Kilometres; thence in a northward direction for approximately 8 Kilometres to a point on the Mutinondo River; thence up the Mutinondo River to its source near the T2 Road (Great North Road); thence in a northerly direction for approximately 6 Kilometres to the RD 733 Road; thence due westwards along this road to a point on the Mufubushi River; thence down the Mufubushi River for approximately 14 Kilometres; thence in a northwesterly direction for approximately 9 Kilometres; thence in a northeasterly direction to the source of the Luchandazi River; thence down the Luchandazi River to its confluence with the Mufubushi River; thence due northwards to the source of the Mulyangwa Stream; thence down the Mulyangwa Stream through the Chibwa Swamp to the confluence of the Lwitikila River and the Manyowe River; thence up the Manyowe River in the northern direction to its source; thence due north to the source of the Ntunta River; thence down the Ntunta River to its confluence with the Kanchibiya River; thence up the Kanchibiya River to its confluence with the Chilongwe River; thence up the Chilongwe River to its confluence with the Luwanya River; thence up the Luwanya River to its source, the point of starting.

#### MPOROKOSO DISTRICT

Starting at the confluence of the Kalungwishi River with the Itabu River, the boundary runs up the Itabu River to a point on coordinates 131076.58 E, 8968037.40 N, 3 kilometres north of the Yangumwila Falls; thence northeastwards for approximately 15 Kilometres to a point on the Mukubwe River on UTM coordinates 143322.90 E, 8978179.85 N, 6.5 Kilometres north of the Lupupa Falls; thence along the Muchinga Escarpment for approximately 90 Kilometres to a point on UTM coordinates 223587.32 E, 8966306.73 N, approximately 2 Kilometres north of the source of the Mwita Stream; thence southwards to the source of the Mwita Stream; thence down the Mwita Stream to its confluence with the Luangwa River; thence down the Luangwa River to its confluence with the Ichibumbye Stream; thence up the Ichibumbye Stream to its source; thence southwards to the source of the Fisaka Stream; thence down the Fisaka Stream to its confluence with the Kalungwishi River; thence down the Kalungwishi River to its confluence with the Itabu River, the point of starting.
